

SNOW GOOSE FESTIVAL

The Remarkable Journey of Millions of Birds
22st Annual Snow Goose Festival of the Pacific Flyway
January 27 – 30, 2022

It has been a remarkable 22-year (canceled 2021 due to covid) journey that the Snow Goose Festival of the Pacific Flyway has taken from being a two-day festival with 12 field trips and 6 workshops to a modified four-day action-packed with over 50 field trips to choose from. The Festival celebrates the remarkable journey of millions of waterfowl and raptors along the Pacific Flyway, which call the Northern Sacramento Valley their home during the winter months.

Birding festivals are fun and they are good for communities, bringing together a wide gamut of local organizations and businesses that all work together. The popularity of these festivals has risen sharply over the past decade as communities realize the economic, educational, and conservation-related benefits of hosting one.

It is our sincere hope that you will join us and become a sponsor. Your contribution in many ways helps keep this wonderful community event enjoyable and affordable for all.

We are looking forward to another fantastic five days at the 21st Annual Snow Goose Festival, January 27-30, 2022. See you then!

Best regards,

Jennifer Patten
Festival Director
