

## *Spread Your Wings & Become a Sponsor!*

The annual Snow Goose Festival has been a tremendous success for the past 23 years! Our programs and events have educated thousands of youths and adults on the wonders of the Pacific Flyway wintering waterfowl and wildlife of the Northern Sacramento Valley.

The 2023 festival is already taking shape. This year our keynote speaker will be Julie Rentner, President, of River Partners. With their partners, they are restoring rivers to rebuild critical habitats for imperiled species, strengthen local communities, conserve precious water resources, expand green jobs, flood safety, and healthy open space, support productive farmland, and store carbon in fast-growing river forests.

We are proud of how far the festival has come, starting with just a two-day event with a dozen field trips and half a dozen workshops. Now a 4-day festival with over 60 field trips, exhibits, an art show, a banquet, and free events for the whole family! All due to the dedicated steering committee members and volunteers who've made it happen.

It is our sincere hope that you will join us and become a sponsor. Your contribution in many ways helps keep this wonderful community event enjoyable and affordable for all.

We are looking forward to another fantastic four days at the 23rd Annual Snow Goose Festival, on January 26 - 29, 2023 See you then!

You'll find the information on 2023 sponsorship levels and premiums on this link "[Sponsorship Levels for 2023](#)".

Best Regards,

Jennifer Patten,  
Festival Director
