

Wings in Art - Pacific Flyway 2022

Submission form for "Wings in Art" at Museum of Northern California Art (monca)

The Museum of Northern California Art is seeking original artworks, all media including 3D, whose subjects include wildlife and habitats along the Pacific Flyway, North and South for a juried exhibition to take place during Chico's 2022 Snow Goose Festival. Along with traditional art forms, we are looking for work that somehow demonstrates a unique use of materials, subject matter and approach. The museum's exhibition committee will make the final selections for the exhibition.

The exhibit will be held at the Museum of Northern California Art (monca) 900 Esplanade in Chico, Thursday January 27 through Sunday February 6, 2022. The formal opening reception is Friday, January 28th, 5-8 pm. The reception is a free event for the community at large.

For all other festival events, activities and schedules please go to the Snow Goose Festival's official website, www.snowgoosefestival.org.

Deadline to Submit is January 7, 2022

ELIGIBILITY: Original works created by artists residing in Northern California, defined as San Jose and all points north, east, and west to the state border. All exhibited artworks must remain in the exhibition until 5 p.m. on the last day of exhibition.

The name and photo associated with your Google account will be recorded when you upload files and submit this form. Only the email you enter is part of your response.
